**BHARATAM WORLD SCHOOL**

---

**Dear Parents**

October 1<sup>st</sup> heralds Joys of Festivals, healthy climate and above all the Peace that all my kids are hale and hearty after the unforeseen brutalities of Covid. May these children ever stay Happy, Healthy and Energetic pumping in tremendous vibrant vibes in BHARATAM.

Simultaneously, I rise up to request you to clear all the pending dues – be it first quarter, second or this upcoming quarter from October to December or the pending Annual Charges. You must co-operate in the comfortable running of school which indirectly is highly important for your children as well. After all the school, for sure, needs a proper financial backing. Thus, be courteous, thoughtful and concerned. We have such wonderful parents, whom I outrightly thank who have NEVER delayed the dues for a single day.

Do oblige and those who have always been punctual will overlook this request.

Wishing you a Great time ahead.

**Sincerely**
