Dear Parents

It's a reminder that since the PTM is scheduled on Saturday i.e October 9, 2021, please stay clear that unless the pending dues are cleared, the result will not be given. Thus, to avoid any argument or discussion on this topic, you are advised to do the needful. After all how long this delay will be acceptable! This is, obviously not meant for those who are particular in paying always well in time.

Thanks & Regards
