BHARATAM WORLD SCHOOL

Dear Parents

As the new quarter begins from October 1, 2021, you are requested to make it convenient to deposit the fee of transport for the full quarter as per the rules. When you are absolutely clear that your ward will be using the transport in the months to come, why not pave an easy way!

Most Important:

You must be very clear that transport (school bus) fee can NEVER be for 15 days or 20 days or can not be adjusted later against school fee. After all, transport has never been compulsory rather we have always given you a choice to use or don't.

As such make up your mind if you have to and then plan accordingly.

Thanks & regards
