“ Table Manners Fortnight ”

Dear Parents

Manners are the mirror image of a personality. Sitting across a table, communicating, travelling or meeting strangers; everywhere a person is evaluated through his decency and manners. Here we go with our next fortnight under the banner ‘Table Manners Fortnight’. You are well aware how strongly we mean to inculcate these valuable fortnights into these children so that they stand tall tomorrow and are recognized. Thus, your cooperation is very badly required and we will highly appreciate if you contribute teaching all kind of manners to your children. Also, ask them everyday what they have been taught by the teachers in this fortnight.

Thanks and blessings!

Team BWS
