CIRCULAR

25.10.2021

BHARATAM WORLD SCHOOL

For Classes : III to X

Dear Parents

To give fervor and colour to the presence of the children in school after a long dormant break, we will be giving a festive look on Diwali in school by organizing a 'Food Carnival' on November 02, 2021. As such, please help your children by sending some good cooked recipes which happen to be your favourite dishes. We will honour the children by going to their stalls and tasting those dishes to encourage them. Don't forget, it will lead to interactive confidence, commitment and involvement. For any further details, you are welcome to get in touch with the Class Incharge of your child. This will be exclusively for the students and also, there is no compulsion. Simply, grant the privilege to your child to feel special and be vibrant for Diwali.

God bless!

Team BWS
